Performance charts

The first chart shows delivered milestones per quarter and the second tracks the monthly satisfaction score across the year. Both are drawn as vector graphics and carry their own labels.

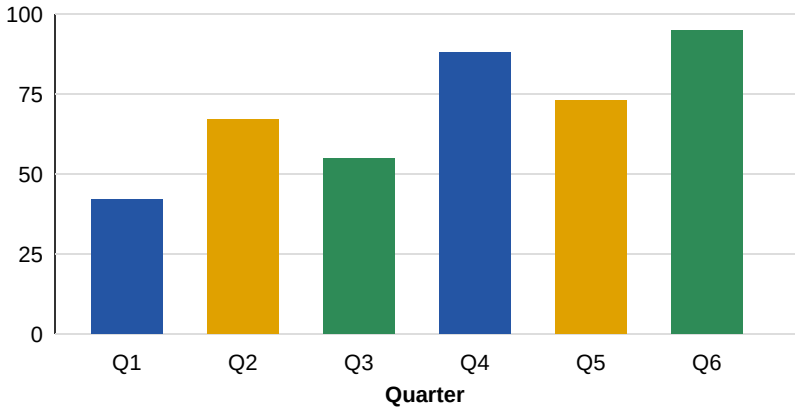

Figure 1. Milestones delivered per quarter

Satisfaction rose steadily after the second month, with a dip in the middle of the year that coincided with the timetable change.

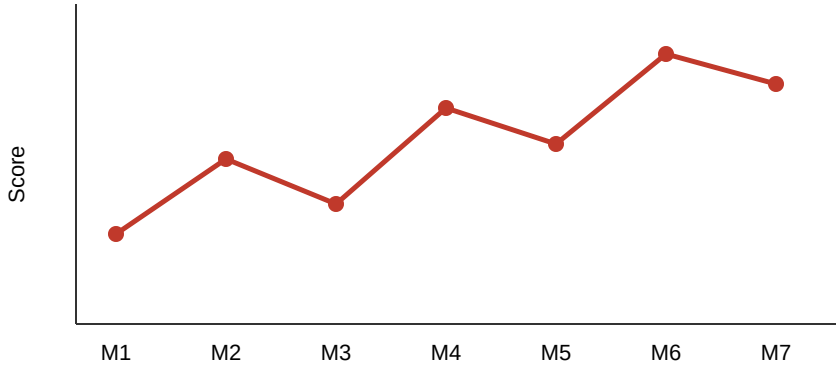

Figure 2. Monthly satisfaction score

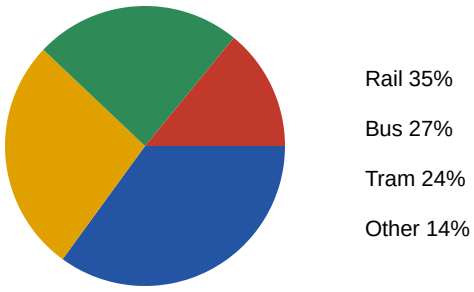

Figure 3. Share of trips by mode

A shaded call-out box with a border, which must stay text and must not be taken for a chart.

Mode	Trips	Share
Rail	12,400	35%
Bus	9,600	27%
Tram	8,500	24%
Other	4,900	14%
Total	35,400	100%
